Feds Fighting Hunger

DONATE FRESH FOOD TO THOSE IN NEED

Did you know that you may donate fresh food to a pantry near you and also give credit to your agency towards the Feds Feed Families (FFF) food drive? AmpleHarvest.org, one of the FFF partners, is a network of nearly 7500 pantries across the United States. You will be able to go to a pantry near you and drop off fresh food that will be given to families and children in need. Also, this is a tax deductible donation. Even your non-gardening friends and family across America can use AmpleHarvest.org to help their own community by simply visiting www.AmpleHarvest.org/local.

Michelle Obama has partnered with AmpleHarvest.org for the Let's Move initiative, which encourages Americans to eat healthy. By reaching into your backyard you can help neighbors in need.

1. Start at www.AmpleHarvest.org/FFF
2. Enter your zip code and press 'Search Location'
