

Your pantry's link to fresh vegetables!

The AmpleHarvest.org Campaign is a **free** nationwide registry that enables home gardeners and commercial growers near you to easily find your pantry when they have harvested more than they can use, preserve or give to friends.

- More than 7,500 food pantries across all 50 states are already registered with more signing up every day.
- Tens of millions of pounds of freshly harvested produce have been donated by local growers to nearby food pantries across America.
- AmpleHarvest.org is a 501c3 non-profit organization and has received support from many groups including: the White House and the USDA, Google, National Gardening Association, numerous faith groups including the National Council of Churches, Garden Writers of America, food/hunger bloggers, Feeding America and many food banks overseeing the pantries.

If your food pantry is not yet registered at www.AmpleHarvest.org , you are missing the opportunity to receive locally grown freshly harvested produce from area gardeners.

Adding your pantry to AmpleHarvest.org is EASY, FAST and FREE.

It can be done quickly online (www.AmpleHarvest.org) or by fax (866-748-3516*). In addition to providing your pantry information (even a photo can be included!), you can also list store bought items you most urgently need and update it as needed for donors helping you when the gardening season is over. More information is available at www.AmpleHarvest.org/faq.

Your pantry doesn't need additional refrigeration or storage because you can schedule produce donations and client pickup on a same day or next day basis.

Many home and community gardeners are eager to reach into their backyards to help their neighbors in need. AmpleHarvest.org helps them find you.

We strongly urge you to visit www.AmpleHarvest.org and register your agency today!
