

Plant for Hunger

Join the fight against hunger with us.

This April, join thousands of gardeners across America in growing one extra row of vegetables to donate to a local food pantry. Tomatoes, beans, peppers, herbs — anything fresh makes a difference. Visit AmpleHarvest.org to find your nearest pantry.

How to Help

- Find a Pantry: Visit AmpleHarvest.org to locate one nearby.
- Share Your Harvest: When you have surplus harvest, donate it!

Scan to learn more!

Extra Credit

- Post Flyers: Ask your local garden shop, library, or place of worship to display a flyer.
- Share the News: Encourage friends and family to spread the word.
